## Associated Builders and Contractors Announces Local Chapter Service Award.

Shawnee Mission, KS – The Associated Builders and Contractors (ABC), Heart of America Chapter, presented its annual Chapter Service Awards at a dinner banquet held at Stephenson's Apple Farm Restaurant.

Good summary in lead paragraph

The coveted Keystone Award, given to the individual that best exemplifies the principles of ABC and in recognition of their outstanding contributions to the Chapter, was awarded to Pat Shelley, Teague Electric, Lenexa, Ks.

Shelley is a past Chairman of the Board of the chapter and continues his contributions as a board member.

In announcing the winners, current Chairman Karl Sigler of Enterprise Interiors, Blue Springs, Mo. Said, "These members work hard for all merit shop contractors, expecting nothing in return except the satisfaction of making a difference. Tonight is ABC's 'Thanksgiving dinner' to show that their efforts aren't ignored."
